

My family and I are daily listeners to K-Love available through our community's FM translator. It is my understanding that the FCC is considering reducing/replacing FM translator for LPFM. I hope you will reconsider. K-Love is music I want my sons to listen to. It's a positive and encouraging radio station that changes the lives of people in our community. Please do not allow this station to be removed from the airwaves. Christian music is vital to my family's life and well being. Please make every effort to keep K-Love available in our Des Moines community. Thank you for your consideration.
